

Feeding the Hungry
with Dignity

COVID-19 ALERT: **Martha's Kitchen Urgently Needs Your Help!**

Due to the COVID-19 pandemic, the demand for meals has risen substantially. We need your help to keep up with this increased need for meals and food.

Some of the homeless shelters we serve are now keeping their residents "sheltered-in-place." Other day-centers are reporting an overwhelming demand for food due to school closures along with newly unemployed and furloughed workers. These numbers keep increasing daily.

Silicon Valley is one of the wealthiest places on earth. Some of the greatest needs are in our own backyard.

Can you help us feed those in need with dignity? We need your financial support to continue our mission the hungry throughout 60 locations in counties, not just here at 311 Willow Street.

This unprecedented increase demand for meals means that we've had to hire additional staff to prepare and deliver meals throughout the region. **Bottom line: we are facing an increased cost of \$75,000 a month.**

Please donate today. Every bit definitely helps.

Martha's Kitchen is a 501(c)3 non-profit organization.
