

Martha's Kitchen Season of Giving

\$3,500 Sponsorship

Bring joy this holiday season!

Season of Giving Sponsorships fund extra-special meals throughout November and December, directly covering our food costs so we can serve warm, festive meals to those who need them most. Your support ensures that families and individuals in our community can experience the comfort, dignity, and joy of a holiday meal during the holiday season.

Sponsorship benefits include:

- Logo featured during dinner service
- Social media posts on Instagram, LinkedIn, and Facebook
- Announcement in our e-newsletter to our 5,000+ contacts
- Inclusion in our Annual Report
- Potential volunteer opportunity (subject to availability)
